Plank Competition

Only 3 starters for the plank competition so far, come on guy's, be in it!! Cost is only \$15.00, payable at commitment time. Talk to Ian Griffiths at the next available opportunity, to be in it.

January Meeting

See below the dates for our January meeting, **JANUARY ONLY**

Tuesday	6.1.15	Committee Meeting
Saturday	17.1.15	Saturday Workshop – brought forward due to Australia day
Tuesday	20.1.15	Club Night Meeting
Monday	26.1.15	Australia Day Celebration at Glenbrook

Well, Christmas is just around the corner, so could I take this opportunity to wish all members and their families compliments of the season.

What's on for 2015.

As usual, we are looking for places to visit. Think about it and let the committee know.

Australia Day 2015.

We have the date, January 26th. We need people to be there from about 0730 to help setup, and an idea of your commitment.

Each member may, if they wish, bring articles to show, and or sell. The club will take a 15% commission on all sales.

Not sure what the project officers have in mind, but I am confident they will do something outstanding, or should that be spectacular, in the way of demonstrations for the general public.

Membership Drive

One of the items the executive discussed was a membership drive in 2015.

We are only a small club and we need desperately to increase our membership. More information will be forthcoming early in the new year.

Open days.

Another item discussed was a demonstration day or days during the year to let people know what we do. Again more information will be forthcoming in 2015. However, if anyone has some ideas to both show off, and get members, the executive will love to hear your idea's.

The Traditional Tool Group

The next Tool Sale is scheduled for **February 22, 2015** and will also take place at The Brick Pit, Thornleigh — don't miss it. See www.ttg.org.au for more info.

TTG is a non-profit organization devoted to the study, conservation, collection and otherwise worship of tools of many trades. The group has just secured a home at historical Brush Farm House where its library and part of its collection will be housed.

From April the group will hold its program of workshops at that location. One of the group's long term aims is to establish a working museum before old skills are lost.

WHS

An addition to the club's Workplace Health and Safety information has been made to include the new lathe. Members please note.

Came across this little gem (author unknown)

*Santa, Santa, in your sleigh
Come and take my toys away,
While I'm sleeping in my cot,
Visit me and take the lot.*

*Santa, Santa set me free,
Clear an open space for me
Me and all the girls and boy's,
Buried under heaps of toy's.*

*Santa, Santa with your sack,
Come and take some plastic back
Take it all and in it's place
leave a little breathing space*

The Aussie spirit of Christmas.
