Presidents Report.

Seven members and two guests enjoyed an outing to Dallas Joinery Construction at Milperra which included a very interesting tour of the factory.

Lunch was then taken at the Bankstown Trotting Club, followed by a visit to McJings Tool and Hardware Shop at Yagoona. If you can't find it at McJings' then they don't make it.

Numbers were down at the October workshops but there was still plenty of activity. Steve and Dave made some trivets using the router, for sale on Australia Day. Leon, Alan and Selwyn continued on their own projects and Doug was doing some carving.

All the projects for Edinglassie Nursing Home have been allocated. We have put February 2013 as the finishing date. The 'OLOC' project, mobile cabinet is still in the planning stage.

Workshop Projects

Tuesday 20th November: Presentation by Doug Cox.
Subject is; Timber and it's characteristics and how it is milled.

Saturday 24th November:
Own projects including
Alan's table stool
Craig's piano stool and others
Box making.

Entries for Club Challenge competition are to be submitted by Saturday work - shop 24th November.

Xmas party: Jan Barrett has agreed to co-ordinate the food again. Club to buy meat etc. for BBQ.

Need volunteer to decorate hall on the Sunday morning.

Saturday Workshop

We will be getting a visit from the ALP Candidate for the Federal seat of Macquarie, Susan Templeman, some time on that day. From what I see this is a visit to promote herself, and to give her local knowledge of our type of activities so she can speak with some authority on what our type of groups do when her political rallies start for the upcoming Elections .
Could be this is also a check of our bona fides as a follow up from the Federal Grant approval.

Be aware, this is the last workshop for the year. Members are asked to wear their Club Shirts on the day.

Dates to remember

Bus trips

While the bus trips have finished for 2012, your committee has indicated possible outings for 2013.

There will only be 4 such outings in 2013, and so far we have selected 3 possibilities;

- 1 The radio Museum at Kurrajong. This will be a meet at the sight rather than a bus, as it is not far for members to go to.
- 2 Lithgow Small Arms Factory; (bus)
- 3 Lithgow Mines. (also a bus)

See the list of events and dates for 2013 on page 3. (ed)

Christmas Party.

The annual Christmas Party will be held at the club venue on Sunday December 9th from 1130 ish? The Ladies will again judge the Club Challenge items. For catering contact Jan Barrett who is our coordinator for the food.

Please do NOT ring Jan until AFTER November 21st 2012.

About the Club

The Club meets on the third Tuesday of the month at the Girl Guides Hall, at the end of Bunbinla Avenue Mount Riverview, commencing 7:00 PM, to 10:00 PM.

The Club also holds an all day Workshop on the Saturday *immediately following* the Tuesday night Meeting (not necessarily the third Saturday in the month), commencing 0900 am to 3.30pm

Visitors are invited to participate in up to three club meetings and/or activities.

After three visits if they are satisfied with the club's format and activities, they are expected to become full members of the club by paying the membership fees.

The meetings will start with a welcome to members and visitors. On Tuesday nights machines can only be used between 7.00PM and 9.30 PM. After 9.30 PM machines are unplugged and we *all clean* up and all equipment is put away.

Then 'Show and Tell', 'Questions and Answers', and our library is open. Supper is provided, and the Meeting is closed at 10.00pm.

On Saturdays machines can be used all day up to 2.45PM, then *we all clean up*, our equipment is put away. "Show and Tell" and "Questions and Answers" will be immediately after lunch before we restart. Morning and afternoon tea is provided, however BYO lunch and any other drinks etc.

Hall Cleanliness

The Girl Guides have expresses some concerns as to the cleanliness of the hall after we use it.

The Girl Guides have given us a list of what 'to do'. This list is a card, (*laminated*) and is in the 'purple' cupboard.

While every endeavour is taken to ensure we don't miss any item, we need to do a double check before we leave each day we use the hall.

The new Kitchen has been installed at the Hall, and it is an open one. We are considering using a curtain and or a cover to limit wood dust from entering the kitchen area

Federal Grant

Earlier this year, the committee lodged a request under the Federal Government Grant Scheme for a grant to assist in purchasing equipment.

Notification was received from Senator Doug Cameron that we were successful in obtaining a grant. This grant HAS to be spent on the nominated equipment specified in the application.

Your Committee is actively sourcing the items specified;

Fire extinguisher, Fire Blanket, Laptop Computer, Digital Camera, Thicknesser.

Obviously, these will be sought at the best price!.

Public Liability Insurance.

This is a bugbear that plagues most clubs like ours. Unfortunately, our Public Liability Insurance covers **members only.**

Any non member is covered by vehicle insurance.

Australia Day 2013

We have been allocated a spot for the Australia Day Celebrations at Glenbrook on the 26th January 2013. Members are asked to provide items for sale, and to give demonstrations to the general public in our skills. The site is a powered one, probably next to the Woodturners.

BBQ,s

See the list on page 3 for the dates and venues for our best fundraisers! Bunnings Barbies. Mark it on you calendars so you do not forget them!!
