**Equipment Officer,
& Catering Officer**

Philip Knight

**Projects and
Demonstrations**

Phil Tonks
Doug Cox

From the President.

Lithgow Small Arms factory visit on September 25th was not as well attended as we would have liked, due to many members away. Trips in 2014 will be finalised and sent to members in December 2013. There is a need to indicate whether or not you can attend well in advance to help planning.

The Saturday Workshop in September was used to work on letter outlines and chalk boards. The October Tuesday workshop will be used to complete them. They will be finished using Danish oil. We may be able to also watch the Milton Workshop DVD as well.

Saturday workshop-October 19 we will be participating in the Explorers Day at Glenbrook Park. We will commence setting up between 7:00 - 7:30 AM. All help appreciated throughout the day. If you bring something to sell we need it listed to help our accounting.

AGM.

As you know we had our AGM on Tuesday 17 September 2013, and following are the names of the Executive and General Committee elected.

President:	Phillip Tonks
Vice President:	Ray Barrett
Secretary:	Phillip Knight
Treasurer:	Ian Griffiths
General Committee:	Daniel Clift

Christmas Party.

This will be held on Sunday December 15th. Time is for 1200 for a 1230 start. Again Jan Barrett will coordinate the 'bring along' goodies, and the club will supply a selection of cold meats, rather than a BBQ.

You will need to coordinate with Jan on what you can bring along in the way of Salads and Sweets to share with others. Drinks are the individual members own responsibility. Contact Ian Griffiths and advise if you will attend.

However, we need to know early so that we can decide where we are going to, in order that we can book the bus – we have to get in early as they are in demand.

**Fairy tales can
come true, it
can happen to
you**

What is happening.

Explorers Day

For want of another title, Big Day refers to the bicentenary of the crossing of the Blue Mountains by Blaxland, Wentworth, Lawson along with convicts.

The date is Saturday October 19th and it will be held at Glenbrook Park, confirmed as being held behind the Visitor 's centre. Set-up from 0700 ~ 0730.

This date would normally be our Saturday Workshop. A decision has not yet been made as to the format to be adopted.

We will need;

- Two gazebos (PK to get one) + club; PK to supply two tables
- Leads
- Signs (2 including small sign from clubhouse)
- Flyers

Bus trips 2014:

- * Feb 26 Wood guys @ Oberon
- * May 8 Wollondilly Heritage Centre Museum
- * August 27 Cockatoo Island- Rydalmere
- * November 26 (TBA) -Maritime Museum –Ferry

Need to email these to members

Need to confirm 3 months before to be able to book the bus.

We are open to suggestion's, and they are not restricted to "places for blokes" it may be a place where we can take our partners.

Report as Safety Officer-

Use of router without guards. We need to ensure that all users have a clear understanding of safety precautions to be followed when using club machinery. Note- when using the jig of one club member a piece of scrap should be used on top to safeguard fingers. All members should be aware and follow all the relevant safety rules and techniques when using club machinery. They may even be advised by the Club Safety Officer re the correct and safe procedure for the use of that machine prior to its use.

Received an interesting email from Philip or Router Safety, from i gather was a presentation at the last Tuesday meeting.

Toys presentation:

Media article needs to be written for presentation of toys to pre-school – Phil will organise time for delivery of toys and a list of any members who can attend. (Note: club camera to be used for website reporting and media release).

Ray will see if media can attend as well. Possible time November 8th- time to be confirmed.

Tasmanian Oak.

Daniel has some lengths of Tasmanian Oak trims. size is approximately 10mm x 20mm x 3 metres. It is in bundles of 30 ~ 50 pieces. And it is free.
