FINE CUT
(AMENDED EDITION)

JULY 2014

G'day all,

Once again, in our Editor Daniel's absence, the Fine Cut Newsletter is a two part edition, one from Phil Knight and the other from me.

As you will have seen in a previous Email, our Work, Health and Safety Policy (WH&SP) is now ready.

The Committee has resolved it is acceptable to our needs, and we sent a copy to our Insurer who reaffirmed this for us.

So you will receive a copy of this and a copy of the "Toxic Australian & Imported Timbers" sheets in the immediate future.

The WH&SP, and the Toxic Timbers List will be put forward for official adoption at our AGM in September.

Speaking of our AGM, it is to be held on Tuesday 16 September 2014, and all Members are requested to think about becoming a member of the Executive Committee, the General Committee, or the various other non Committee positions to help our Club go forward.

Formal notification of the AGM and all the paperwork required will follow soon.

As per previous Emails, the Bus Trip to the Wollondilly Heritage Centre is on Wednesday 23 July 2014, and if you have had a change of mind about not going ,

Or if you have a friend who would like to come with you, please contact me before 8.00PM on Saturday 19 July 2014.

Lastly, your personal details require updating – if there is any change to your postal address, telephone number, or Email address from this time last year, please contact me so that I can change our records.

Regards,

Ian G.
